Can Ch Knightcastle Forrest Gump WC

This is the new boy at Knightcastle : Forrest.

I made my choice selecting the orange boy in the 'Great movie stars' litter. He is a very happy boy, very birdy and at 9 weeks old, was already playing in water with the others. Now, the more I look at him, the more I see his mother in him. Wich makes me very happy cause I've always wanted another Céleste.

He is the result of nearly ten years of hard work from me and also from Barry and Pauline Harrison at Fisherckeeek kennel.

On May 8 2011 in Mont Joli (Québec), Forrest made a Group 4 placement and also a Best Puppy In Show ! It was the first time for one of my dogs. Forrest completed his Championship at 11 months old on June 4 2011 by doing another Group 4th placement ! Also in June 2011, at the US Specialty in Maryland, Forrest too third place in the sweepstake and second place in the regular show (in the 9-12 months puppy class).

Forrest earned his first hunt title (WC) on September 4 2011 in Maxville.

DOB: June 24 2010
