

Flat-Coated Retrievers

Quill / Holly

2012

I was looking for something special for Holly's first breeding since she is so special herself. Then one day, by pure chance, I stopped on Quill's web page and fell in love with him. He is exactly the kind of dog I was looking for my girl.

Quill is a very bold, affectionate Flatcoat with a strong will to please. He has been easy to train and is a passionate retriever on land and water.

He loves playing with puppies and the other dogs and keeps his owner amused with his party tricks. In the show ring he has been very successful, being an easy dog to free stand, with impressive flowing movement.

You can see Quill at : <http://mandaralflatcoatedretrievers.web.officelive.com/ContarEclipse.aspx>

As for my Holly, she is a very soft and sensitive Flatcoat and has the best temperament of all the dogs I have.

This breeding is the start of a new generation here at Knightcastle, I can't wait !
