Can Ch Knightcastle Jump Holly Grail CD RN JH WC CGN TPOC

Holly represents Knightcastle's future. Like her mother, she was Céleste's first girl to see daylight. Also, she wore the yellow collar. She is very well balanced and likes to play and to work. She is also very birdy.

Sometimes with all the energy and enthusiasm she has, she sometimes reminds me of her uncle Baxter but with a soft touch. She learned to swim very quickly and at 7 months she was already retrieving ducks from the lake.

On May 16 2009, in her first show, she earned 'Winners Bitch' and 'Best puppy in Breed' for a major. She continued like this until October 24 2009 when she became Canadian Champion (CH). She earned five 2 points majors in six shows.

In August 2009, at the age of only 10 months, she easily earned her Junior Hunter (JH) title and also her Working Certificate (WC), becoming the youngest dog from my kennel to achieve that !

In December 2009 she went under an urgent surgery due to a rope toy that was blocking her digestive system. Following that event that saved her life, I decided that it was her turn to help people and since March 2010, Holly and her mother Céleste are now certified 'therapy dogs' with 'Therapy Paws of Canada'. Holly's father, Exel, and her sister Raven are also 'therapy dog' with TDI.

She earned her first 'rally-o' title (RN) in March 2010 and in April 2010, she completed easily her Companion Dog (CD) title. So on this day, at 19 months, she already has 6 titles, beating all my other dogs on that !

In 2010 Holly passed all her health clearances and is ready for her first breeding in 2012. The selected Sire will be announced soon !
